Explanation of Responses:

- This Report is being filed to report shares issued following determination of performance achieved for the 2018-2020 performance period pursuant to the 2018-2020 performance award program under the Company's 2013 Long-Term Incentive Plan.
- Amounts includes 3,135 shares previously reported as being indirectly held and reflects totals as of the date of the earliest transaction reported.
- Shares withheld to cover taxes on the 2018-2020 performance awards.
- Aggregate number of shares held in ESPP as of the last day of the calendar month that ended at least 10 days prior to the date of this report, including shares acquired or disposed of on various dates since balance was last reported. Because interest in Plan is denominated in cash, fluctuation in share price since the balance was last reported may have resulted in either an increase or decrease in associated number of shares.
